

About Dan Johnson

Dan Johnson, President of the Solutions Institute, entered activism at 18. Over the next two and a half years, he grew PANDA, [People Against the NDAA](#), into the largest movement resisting a federal law at the local level in the United States. In the meantime, he wrote for [The Huffington Post](#), [Policy Mic](#), [Occupy.com](#), [Western Journalism](#), [BenSwann.com](#), and many others. He has spoken at nearly 75 events, and has appeared on numerous radio and TV shows, including Coast to Coast AM, Liberty Roundtable, and [RT America's Breaking the Set](#). He is a certified Nationbuilder Expert, and has extensive experience in public speaking, copyediting, organizational management, legalese (unfortunately), social media, and dealing with every level of government.
